

Post: Lead Nurse (Maternity Leave Cover)

Reporting to: Assistant Head (Well-Being)

Prior Park Schools

Prior Park Schools is a family of Christian schools based in Bath and Gibraltar. Together, the Schools offer education for pupils aged between 3 and 18. Since the establishment of Prior Park College in 1830, the family has grown, with The Paragon School joining in 2006, and Prior Park School Gibraltar being opened by Prior Park Schools in 2016.

The Schools' Mission is to steward a thriving family of communities with love for the young people they serve at their heart. These vibrant communities cultivate creativity, foster integrity, and transform lives.

Across three sites, the Schools educate over 1100 young people of all faiths and none. The values underpinning the Mission and the Schools' educational offerings are Curiosity, Generosity, and Courage. The Schools believe that quality education changes lives and that outstanding schools are engines for positive social transformation.

Our Schools provide excellent teaching, equipping our young people to leave for a variety of exciting destinations. The success of what the Schools do in the classroom is intertwined with their co-curricular offerings. The young people undertake a wide variety of activities, which, in addition to being fun, challenge them to persevere to succeed. We work together imaginatively and courageously to hone the skills our young people need to forge their place in the world.

Prior Park Schools (PPS) have long been renowned for the quality of their pastoral care. Grounded in the love that sits at the centre of our Mission, our pastoral ethos allows young people to feel safe and secure to challenge themselves, to learn who they want to be, and to discover the difference they want to make.

Each of the Schools' Heads are supported by a Leadership Team, who together lead the day-to-day educational business of their respective schools. The Board of Trustees provides governance and support for the Heads and their schools via a number of Advisory Committees which include Local Boards for each of the schools, the Finance, Audit, Investment & Risk Committee (FAIR), an Education Committee and Safeguarding.

The Executive management of the schools is devolved to the Prior Executive Board (PEB) which comprises the Heads of each constituent school, The Director of Operations & Finance, the Director of Development, and the Head of Compliance. The PEB drives the strategic development of PPS, ensuring that it is on track to deliver its Vision and thereby remains a market leader in independent education.
